TrioSign Folding Signs

- All three sides can be individually printed with traffic signs and text
- Multiple use with additional text by velcro strips
- Weather-resistant signal covering made of robust plastic fabric
- Non-reflective, highly reflective or very highly reflective
- Easy change of the covering by quick release
- Sturdy tripod, fully galvanized steel
- High level of stability thanks to specially shaped feet
- Turning mechanism for easy opening of the folding signal
- Designed to fit various Nissen lights and easy to set up
- Optional weight for increased wind stability
